MOCSI Rule 5 Subscriptions

It was moved by Tania Bailey and seconded by Sue Banks that club rule No 5 be amended to 31 May instead of 31 July.

This motion was put to the committee for discussion and the motion was carried for approval to be voted on at the 2024 AGM.

The motion is supported by the following.

1. The secretary's management of email and membership lists is constantly being updated after each AGM. The result of later payments is requiring extra work on the lists and forwarding them to the interbank representatives and Treasurer.
2. Too often a payment is made on the day after the lists have been amended.
3. Club funds managements is reliant on an income to match the budget.
4. The treasurer follows up later payers and doing this for three months is unacceptable.
5. Given the easy access to interbank payments there is no longer a need to wait to the next or following club outing to make payment.
