We are always looking for new blood on the committee, please give it some thought and contact a committee member if you are interested.

The Memorial Run and the Parts Shed day were well attended, numbers in the 20s, wonderful to see our new members there also.

Look forward to seeing such great support for future runs!

We have received a new round of other club magazines electronically, don't forget to let Our Editor (Sue) know if you are interested in receiving any of them.
